Request for administrative assistance

Oktober, 28th 2020

Dear President Donald Trump,

I, Mr. Manuel Tuebner and Miss Doris Stoehr, ask Donald Trump, President of the United States and by virtue of your office in the Allied Forces, for support in relation to the corruption district office Oberallgäu family Alfred Seehofer, the leader of the clan Prime Minister Markus Soeder. This clan has built up a highly criminal economy and gang crime against our company in Germany and the entire EU, which has been carried out through massive EU trademark infringements and contractual violations since September 2016.

Regarding the Charter of Fundamental Rights of the European Union, Convention for the Protection of Human Rights and Fundamental Freedoms ECHR, Intern. Pact on civil & political rights from 19.12.1966 (BGBl. 1973 II 1553) - ICCPR, UN Resolution 217 A (III) - General declaration of human rights, intentional violation of international law and the convention of human rights article 25 GG, HLKO, SHAEF laws.

We are both managing directors of Mayabaum Verlag-Zukunftsbasis® Ltd. and have multisensory skills and a higher level of intelligence. In the year 2016, as part of a company restructuring of the company Human Perilia Resources GmbH, the Alfred Seehofer family stole all of our company's know-how and our pioneering studies, in which our EU trademarks and contracts were deliberately violated and our entire company structure in Art of Lordin Maya was stolen.

In this service contract for the company renovation in 2016, no cancellation agreement has been concluded with us to this day and our complete know-how of the company Mayabaum Verlag - Zukunftsbasis® Ltd. was stolen by the Alfred Seehofer family and distributed throughout Germany and Europe.

With our globally unique company concepts and pioneering studies, the Seehofer family has been building up the service without notice since September 2016 and handed everything over to the Oberallgäu district office. In 2017 the corruption district office Oberallgäu/Fam. Alfred Seehofer merged with the federal political party CDU/CSU of Bavarian Prime Minister Markus Soeder and Angela Merkel to form the Markus Soeder clan. Together, the corruption Landratsamt Oberallgäu/Fam. Alfred Seehofer and the Markus Soeder clan spread throughout Germany, marketed and carried out over 8 attempted murders on us.

Basically, we were the role models, successful trainers and social pedagogues who trained everything successfully for 5 years. But no matter what we set up and published, it was stolen from us and copied 1 to 1 from corruption, even when we provided contractual administrative assistance at the Ministry of Justice in Munich with our key witness Professor Dr. Winfried Bausback searched.

In this formation of the world's largest association of gang and white-collar crime, together with the Munich celebrity scene, our concepts were illegally distributed worldwide and everyone has joined in violating our EU trademark rights and contractual rights. All of Germany was commissioned by Clan Soeder to recreate the future of Doris Lordin Maya with our concepts and in our art in Art of Lordin Maya. The company and study theft spread through the Soeder clan like a wave of corruption in Germany and we were copied and recreated 1 to 1 by the Soeder clan.

The whole of Germany was involved in this crime by the Soeder clan and spread to the art of Lordin Maya, as well as the whole of Germany embodied in Art of Lordin Maya. Minister President Markus Soeder had also stolen all of our company and trademark contracts, as well as the preamble and the entire company structure, which were submitted to the Munich State Ministry to inspect the files of the criminal complaints at the responsible public prosecutor's offices and were then embezzled there. The evidence that we have been able to collect to date is over 500 GB or 2.000 files of evidence.

In 2016, Tanja, Sabrina and Alfred Seehofer gave me an injunction at the Kempten Regional Court with our English company. Our English company was simply written to my then German private address, which was protected by the author, and was driven to ruin with staged enforcements, although my company has no representative in Germany and is not registered in the commercial register, but has been registered in Companies House in London since 2015 Common Law and Sovereignty in Art of Lordin Maya. These scams have been sabotaged for years to this day to disguise that my company is registered under common law and sovereign law in England.

Clan Soeder aims to make my English company contracts invalid since December 2016 so that my contractual rights are not recognized. Clan Soeder is carrying out this criminal act in order to steal my pioneering studies and company know-how, to continue to operate the frauds and, on the other hand, not to pay the claims for damages under trademark law for five years, and not to have to sign the cancellation agreement from December 2016. Because the cancellation contract would be an admission of guilt which must be prevented with all arbitrary violence from the whole corruption, as well as preventing my study material from returning to my property under trademark law.

However, the termination agreement was and is prevented by the fact that the company Perilia Human Resources GmbH of the managing director Sabrina Seehofer was closed in 2017 through a staged bankruptcy fraud built on fraud in order to make all tangible files of evidence disappear. The Seehofer then founded new companies and brought our trademark studies and company know-how into these new companies and marketed them to companies other than their own, in which the Soeder clan became the main leader.

We were also treated in civil law at all courts, although our company deals with contract law and trademark law and all institutions throughout Germany built on it and everyone has joined the resulting BRD corruption through bribery. To this day, our innocence and our contract law have not been confirmed in any court. Every court has been caught in the lie and deceit scenario of corruption, bribed, and no one is reviewing the evidence. As soon as we publish something on the Internet, Markus Soeder copies it digitally as his own for his political federal party CDU/CSU and the State Ministry in Munich.

The corruption and white-collar crime that has built up has embarrassed every police officer, judge, public prosecutor and even minister of state, which in November 2018 led to the fact that Minister of Justice of Bavaria Prof. Bausback was relieved of his position as minister of justice through high treason by his own subjects, the police, judges and public prosecutor Kempten was deposed by Bavaria, which of course in the press and in public was presented as a rejuvenation of the cabinet. He wanted to save our lives and punish the criminals who then infiltrated and deposed him. He was our last and only hope to uncover the truth and get back all of our stolen trademark law company know-how, as well as pioneering studies.

After another subsequent murder attempt by the local police, we had to flee from Bavaria to the state of Hesse. We couldn't stay there for long either because the police also joined in the corruption and white-collar crime. From now on we had to go back to our company Mayabaum Verlag-Zukunftsbasis® Ltd. in England, because all of Germany had conspired against us to kill us as the authors and owners of our own studies and company know-how. At the very last minute we were able to flee from Germany into exile in England to our company to save our lives. Detective Chief Inspector Stoeckle from Kempten deliberately created an enemy image of us, so that police dogs were deployed against us, wild chases have taken place in the streets of London and even helicopters have hunted us in Germany. We have been alleged criminals, drug addicts and terrorists since 2016, although Ms. Stoehr is paraplegic and is in a wheelchair.

If we are not wanted as felons, such large-scale operations by the police and special forces could not be approved. The list is long what was brought up against us, but also funny how many millions of tax money are spent on it while people starve in poverty every day. Everyone knows, the entire corruption, that Doris Stoehr is paraplegic and that I care for her 24 hours a day.

Ms. Stoehr has a trademark the Mother of God Planting®. With this trademark she has patented her drive to learn to walk again after 27 years of cross-section in order to make her miracle happen for her humanity. This and the Zukunftsbasis® trademark was injured by the Markus Soeder clan and his two corruptions, Oberallgäu District Office/Alfred Seehofer family, so that Ms. Stoehr was bedridden after the 7th murder attempt and the Soeder clan specifically uses the cross-section and the resulting intestinal disease as a motive for the crime to torment death.

As Prof. Dr. Winfried Bausback was deposed as Minister of State of Justice, he informed us with secret information on his facebook profile. We knew when the police dogs were looking for us and when helicopters were planned and when we had to go to London. We were also able to get to safety eight times with Doris' clairvoyance, because Doris could always see when they were coming, otherwise we would be dead now. In April 2019, we were able to escape with a large car at the last minute. Manuel Tuebner brought Mrs. Stoehr to London bedridden on a mattress in the car and saved her life from the Soeder clan. Then a year later the Covid19 was put on us because Ms. Stoehr realized her art of bringing herself, her future as Saint Maria Indigo Queen, the Lordin of Atlantis to her indigo blue pearl mother earth in order to free her humanity from digitization and elimination .

Due to the existing company contracts and EU trademark infringements of the last five years, the entire federal government from Germany, the European seat of government from Brussels, has distributed our company studies, company contracts and EU trademark rights throughout Europe. Even in the United States that of Julia and Adam Fried was distributed who joined the serious corruption and white-collar crime and unlawfully enriched himself. The current massive economic damage to our company Mayabaum Verlag - Zukunftsbasis® Ltd., in which, according to a temporary estimate, over 200,000 (two hundred thousand) companies and institutions have joined over 20 European countries since 2016, amounts to breaches of contract and the EU-Trademark infringements over £12 trillion.

The old political parties in Germany (CDU/CSU and SPD) have been enormously unpopular for many years, have lost thousands of party members and a change of political power was initiated in the political government district in 2016/17. However, this was opposed by all sides of the political parties and Prime Minister Markus Soeder of the Merkel political parties stole our studies and unique marketing concepts from Mayabaum Verlag - Zukunftsbasis® Ltd. and joined forces with the Alfred Seehofer family as corruption. The Soeder clan has built up our trademark law studies throughout Germany and prides itself on being a digital pioneer in Germany and Europe. The old politic party Angela Merkel CSU/CDU has managed to get back to the top of the political government with our unique company know-how through this fraud in the context of the world's largest company and study theft of all time.

Through the corruption, solid evidence in files was falsified or even destroyed, as in the German Patent and Trademark Office, in order to get rid of the corruption fraud. Old videos were deleted on YouTube and replaced with current ones to make it appear as if the videos and the stolen studies were already 7 or 8 years old. This scam makes the whole of German politics and also Chancellor Angela Merkel. She has already been warned with claims for damages and informed about our case with pictures of serious physical injuries that were inflicted on us by the police. Chancellor Angela Merkel also knows about the facts of life-threatening gastric ruptures based on pictures that are inflicted on Ms. Stöhr every day with her cross-section, but ignored them coldly.

The corruption of the Oberallgäu district office/Seehofer family has resulted in new fatalities. The hessian Finance Minister Thomas Schaefer was killed in March 2020 and his State Secretary 4 weeks later in April 2020. But we know that the witnesses had to disappear because they recognized our claims for damages and wanted to pay them. More innocent people will soon take their own lives or even be killed in order to maintain the existing corruption of the Oberallgäu district office/Seehofer family. If the corruption is not stopped soon, the 3rd World War will ignite. If we don't make it, our humanity will be enslaved forever and Nazis will regain the upper hand over all of humanity, for which Europe as the main center is aligned to exterminate humanity. Because the networks of the Nazis did not go under, consisting of the Federal Government of Germany, which we can also prove to the public with blog posts.

We could only escape this destruction of life and the attempted murder because we are gifted and clairvoyant with our unique abilities. We also know from our previous lives that we were the siblings Sophie and Hans-Fritz Scholl from the white rose. Now we have found the same people from back then who executed us in previous lives in the Nazi era. We also know that it is our mission to help Doris' humanity one more time and for that we have put our lives on the line again. Even if we are safe in Scotland for the time being, our lives are still in great danger. Further information can be found on our websites www.zukunftsradio.com/www.zukunftsuhwerkrad.io/www.zukunfts-radio.com and another 200 websites that we are developing.

In our book we as authors Doris Lordin Maya and Manuel Tuebner describe that after 77 years we have returned alive from our previous life as Sophie Scholl and Hans-Fritz Scholl. In our life today as Manuel and Doris, we defeat the same fascists as in our previous life as siblings Hans-Fritz and Sophie Scholl.

We tell how these fascists formed the two corruption Landratsamt Oberallgäu and the Alfred Seehofer family in December 2016, who joined together in 2017 to form the most dangerous clan of all time, the clan Prime Minister Markus Soeder as part of the unification of serious gang and economic crime. The achievement of the goal of the extremely dangerous clan is based on killing Doris Lordin Maya and Manuel Tuebner after eight failed murder attempts in a letter and address scenario. Basically based on their entire trademark company know-how, unique and complete pioneering know-ledge, to steal the ideas of their English company Mayabaum Verlag - Zukunftsbasis® Ltd. your criminal game aims to create digital domination and power across Europe, even worldwide, with the stolen, copied pioneering studies and company know-how.

The criminals of the dangerous clan Prime Minister Markus Soeder have unbundled the Second World War again as part of their serious gang and white-collar crime because they copied Doris Lordin Maya 1 to 1 and in it unbundled the world war. The clan fights against the Lordin of Atlantis, owner of their future, pioneer and patron saint of Germany, Doris Lordin Maya of Atlantis, the Sankt Maria Indigo Queen, as well as their humanity in a world war to their indigo blue pearl mother earth in the context of a biogenic war digitize as well as eliminate. What will lead to the final world war and the plan of Clan Soeder can be found in the Corona Virus. Which was triggered by the Soeder clan and its two intertwined corruptions.

Investigations are still being carried out against us to this day, although we have left Germany forever since April 2019 and fled to our company in London. Our websites and every internet presence are heavily attacked with digital weapons, hacked and used with virus attacks against us in order to prevent us from publishing further information of the truth.

Note in the words of Doris:

In Doris' previous life as Mona Lisa there is a code in the eyes. Bill Gates has a patent on the Mona Lisa and the deal between Markus Soeder and Bill Gates is based on this, if I die he'll get my art in Art of Lordin Maya. In return, Markus Soeder and Angela Merkel received the COVID19 that Richard Rotschild had registered as a trademark in the patent register in 2015. The time is now ripe to come together and to take up the corruption of Clan Soeder with the pedophile children's ring BRD and dissolve them.

Through further research, we were also able to discover that Angela Merkel gave a WHO speech on her last trip to China in September 2019 while visiting the Chinese city of Wuhan. A short time later, the Covid19 broke out in the same city of Wuhan in a German-based company and the first person infected with Covid19 in Germany was a worker from this company. It is therefore obvious that the German federal government has planned the Covid19 outbreak with Bill Gates and. There has been a close cooperation with the Gates Foundation for years, which also supports the virologist Drosten in his corrupt work in order to put Germany in a good light. The whole German federal government is highly corrupt that the bars are bending. The whole German people was made sick and schizophrenic and is involved in corporate and student theft in public because Markus Soeder and all the ministers of state set an example and encourage it to do so.

On November 18, 2018, Prof. Dr. Bausback deposed as Minister of Justice because of a rejuvenation in the cabinet. Exactly two days later the penultimate attempt on us took place and the police chief Gerlinde Hogen from Kempten wanted to pierce us with a crowbar to drink my royal indigo blood to rejuvenate the cabinet. The Clan Soeder mission went wrong and we were able to flee to Hesse and got away with bruises.

It's about my royal blood and the blood of my star seeds, my children of mine, my golden leap in time, which are kept paired for breeding under the pedophile children's ring under the Germany by District administrator Klotz and Markus Soeder, how these parasites create domination all over the world to have. I, my indigo blue pearl mother earth, was eons of years ago from these parasites, the paired cross snake and garden spider, which arose in me, my future as Maya praying mantis for 3 days and bit and paralyzed me at my basic level, where my primary wound is my cross section today on the 5 thoracic vertebrae can be found.

I am an indigo and bring myself, my future to me, my indigo blue pearl, mother earth, as a highly intellectual individual, to me, my whole world. My stage name says who I am, Doris Lordin Maya of Atlantis, the Sankt Maria Indigo Queen. I am the Lordin of Atlantis and prepare my six ethnic groups, my indigo children, rainbow children, crystal children, unicorn children, dolphin children, sun children for me, my golden leap in time. This includes you, Mr. Trump, and you were in one of my previous lives when I was Princess Victoria of Scotland and Ireland, my father the King of Ireland and Scotland. Therefore there is a deep love of soul for you because you are also the head of my group of dolphins.

Just as I, among others, in my past life, Maya praying mantis in the Maya tree, the Lordin of Atlantis, the Mother of God, the mother of Thoth the God in Egypt, Holy Virgin Mary, Marie-Anne Adelaide Lenormand, Sophie Scholl, Mona Lisa, Cleopatra, Marie-Suzanne Roslin, Saskia van Uylenburgh, Lady Elizabeth Sinclair, Queen Maria Stuart, Hildegard von Bingen. All of my people who belong to me, my 6 ethnic groups, fly over my multisensory abilities, my information ambassadors, my ladybugs. Please take a look at the documentary report Indigo Evolution, the film to understand what and who Indigo children are.

When I die, my humanity dies and the Soeder clan can embody themselves 1 to 1 in me and digitally set me up as Saint Maria Indigo Queen of me. My future as Lordin of my future and indigo-blue pearl mother earth and me and to replace and clone my humanity with robots, for which the biogenic weapon Covid19 is used.

Markus Soeder has been looking for his master the devil, the cross snake for eons of years, but only I know where he is and who he is. For this, smears are made in Germany so that he can find him via the gene samples. Markus Soeder requested my manuscript without permission and thus stole my study from my future and from this manuscript he knows that I have his master and that is why he is looking for him. Whenever he finds him, the Antichrist breaks out on me, my indigo blue pearl mother earth.

Yours faithfully,

CEO, Director & Trademark owner
Doris Lordin Maya
