Hello Mr. Adam Fried, hello Mrs. Julia Hahn!

Sabrina Seehofer confessed to us that you stole all the company concepts from our company together with the lawyer Anett Raumessel. And these forged and copied in America with forged documents, notarized as a stolen concept. Sabrina Seehofer gave us your addresses and key data and asked us to have you arrested in America as quickly as possible.

We know everything about you and Julia Hahn also that you are both marriage swindlers and are not married. Also that Julia Hahn has no authorized residence in America.

Julia Hahn is a criminal persecuted in Germany and has been wanted by the Federal Criminal Police for 7 years. We will help the American court to deliver Julia Hahn back to Germany.

You also have both previous convictions, which we will follow up on, including the file number and there everything will be sent to the court in your area.

The court can translate and read about you both on your future radio blogs. If the declaration of omission and commitment is not signed by the deadline, we will submit it to your competent court on site.
