CEO & managing Director, Trademark owner, **Mr. Manuel Tuebner**, company **Mayabaum Verlag - Zukunftsbasis® Ltd.** (omission creditors)

1. **to refrain immediately**, Cornet Technology continues to join the criminal corruption and families Clan Monique Humphrey/Family McKenzie/Corruption District Office Oberallgäu/Family Alfred Seehofer and Clan Prime Minister Markus Söder/Angela Merkel and USA/Joe Biden to use military devices (STINN LTemp Tactical 4G LTE Manpack). to abuse political elections in order to arbitrarily manipulate US policy in support of the Democratic Party by fraudulently stealing data transfer based on voter votes from the Republicans and in favor of the Democrats with (STINN LTemp Tactical 4G LTE Manpack) are transferred, as happened in the US presidential election in 2020 and therefore the entire election result is based on serious criminal fraud with the help of the EU elite.
2. **to refrain immediately**, to continue to join the criminal corruption and families clan Monique Humphrey/family McKenzie/corruption district office Oberallgäu/family Alfred Seehofer and clan Prime Minister Markus Söder/Angela Merkel and USA/Joe Biden, in cooperation with the Democrat Party to cause the election fraud against Donald Trump and him then to fall as president with a planned storming of the Capitol so that he does not get the opportunity to uncover the planned fraud and conspiracy against him, to cover up the staged fraud and to punish those responsible and criminals.
3. **to refrain immediately**, to make evidence of election manipulation disappear with the installed military equipment (STINN LTemp Tactical 4G LTE Manpack) in Frankfurt, to liquidate the company Cornet Technology GmbH, although before the election fraud in 2019 the highest profit as a result in the company's history was posted by Cornet Technology GmbH, which was financed by bribes from the criminal corruption and families Clan Monique Humphrey/Family McKenzie/Corruption District Office Oberallgäu/Family Alfred Seehofer and Clan Prime Minister Markus Söder/Angela Merkel and USA/Joe Biden.
4. **to refrain immediately**, influencing all authorities/offices and/or judicial employees/judges and/or judicial proceedings with untrue statements of fact/defamation and/or harassing and/or coercing through immoral behavior and/or with forged evidence/documents and/or to involve in criminal acts for abuse of office and/or to bribe with money and/or to bribe with the trademark rights and trademark law company know-how and/or in the context of witness statements according to GVG § 74c paragraph 1, paragraph 5a and paragraph 6a, as well as §§ 331 StGB, 332 StGB, 333 StGB, 335 StGB and/or to misuse it for other purposes.

5. **to refrain immediately**, Nicole McKenzie and Stanford McKenzie from the family Clan Monique Humphrey/Family McKenzie in their accounting fraud, money laundering, tax evasion, forgery of documents in the company Cornet Technology to support, so that the criminal offenses and the bribes received in the millions of dollars over the Indian Bank accounts will not be noticed and uncovered, corruption and families Clan Monique Humphrey/Family McKenzie/Corruption District Office Oberallgäu/Family Alfred Seehofer and Clan Prime Minister Markus Söder/Angela Merkel and USA/Joe Biden in their criminal offenses based on document fraud, forgery of copyrights, trademark rights, damage to reputation, violation of rights of use, bribery, violation of company rights, formation of a criminal organization according to §129 StGB
6. **to refrain immediately**, violating Doris Lordin Maya (past life Maria Muttergottes) in her trademark rights Mother of God Planting® which serve to protect the Indigo Children, Dolphin Children, Sun Children, Rainbow Children, Crystal Children with special and extraordinary abilities and talents, knowledge from the future of pioneer, Doris Lordin Maya of Atlantis, the Sankt Maria Indio Queen, as well as stealing the trademark law concept and strategy HomeOffice and remote maintenance of the company Mayabaum Verlag-Zukunftsbasis® and building the entire company construct and/or components as a hybrid model in it, which has also been successfully part of the trademark rights are and was designed for the entrepreneurial breakthrough.
7. **to refrain immediately**, to carry out further destruction of existence and life with defamation and damage to Donald J. Trump's reputation with our own trademark rights, trademark law company know-how and company studies and to cause the Trump marriage and family to be intentionally and arbitrarily endangered, the Trump company with all service providers intentionally harming cooperation partners and business partners and contract partners and causing serious breaches of contract, as has already happened, to depose him as president through election fraud and to allow international bribes to flow to the USA, as well as election fraud together with the corruption of the Oberallgäu District Office/family Alfred Seehofer of the Markus Söder clan/Federal Government Angela Merkel/USA to have staged Joe Biden in order to overthrow and kill Donald Trump as President.
8. **to refrain immediately**, trademark infringement and theft of the EU-trademarks, including Zukunftsbasis®, Futurebase® Studentenbaum® Zukunftspädagogik®, Basisstufe®, Mother of God Planting®, Stufenleiter® by the owners company Mayabaum Verlag-Zukunftsbasis® Ltd. and the two brand owners Mrs. Doris Stoehr and to operate Mr. Manuel Tuebner and to intentionally gain financial advantages with company and brand theft and theft of company secrets without permission for better advancement, as well as the complete brand contracts, company contracts, preamble, general terms and conditions of the company Mayabaum Verlag-Zukunftsbasis® Ltd. as a gift from of corruption Landratsamt Oberallgäu/Alfred Seehofer family of the Markus Söder clan/Federal Government Angela Merkel/USA Joe Biden without the consent of the inventors, authors and trademark owners, without permission to build on the complete ideas of Doris Stoehr and Manuel Tuebner, and to steal mind mapping.
9. **to refrain immediately**, Corruption and families Clan Monique Humphrey/Family McKenzie to incite Marion Garcia not to pay Doris Stoehr the embezzlement of the one-time settlement of 1 million DM, although an enforcement order from a court judgment exists and Doris Stoehr has been entitled to the repayment of the one-time settlement for 30 years, Instead, Marion Garcia has benefited financially for 30 years and is financially covered by the fact that Marion Garcia beat Doris Stoehr, who was newly paraplegic, half to death in 1992 with an iron bar from a wheelchair, and that only, because she absolutely demanded money from Doris Stoehr, which she did not have at the moment and was able to give her and persuaded Aunt Monique Humphrey to lock Doris Stoehr in Monique Humphrey's house in Bitburg/Beijingen Spangdahlem for 4 years, including small children and babies cared for and abused by the Air Force, (*sitting on the potty for 8 hours until your butt turned blue, standing in the corner for 8 hours with your arms crossed, forcibly shoving the tablespoon down the babies throat so that the babies almost choked and cried out in pain*), just as daughter Angela Lehmann was beaten almost to death every day by aunt Monique and Marion Garcia and was thus brought up to be a schizophrenic, professional liar and is used as a tool by Marion Garcia to cover up her crimes against Doris & Willi Stoehr, thus Marion Garcia as Angela Lehmann instigates aggressive verbal attacks on Willi Stoehr and Doris Stoehr who is afraid and was also created to be a liar in his development who has to lie to Doris Stoehr every day for Marion Garcia, and his lies as well as Angela Lehmann herself meanwhile still believes and convinces this appearance - Live real lives.

10. **to refrain immediately**, Marion Garcia with the criminal corruption and families Clan Monique Humphrey/Family McKenzie to use their own parents to cover up the serious, cruel crime against daughter Doris Stoehr in 1992, together with aunt Monique and uncle Donald Humphrey when Marion Garcia punched a hole in the head of her sister Doris Stoehr with the iron foot part of a wheelchair, because Doris Stoehr could not give her any money from her one-off payment from the insurance company for the car accident, because the lawyer Christoph Mrzglod, (*Kirchplatz 2, postcode 66571 Eppelborn, Germany*) still had no money from the one-off payment of 1 million German marks, in which mother Genevieve had joined in destroying the life and existence of Doris Stoehr with intrigues from this crime for 30 years, to cover the aunt Monique Humphrey, who then embezzled these millions in cooperation with Genevieve and Marion Garcia and has not paid back to this day, despite the enforcement order of the court ordering a repayment, but fled to America with all the embezzled money, in which Marion Garcia, Angela and Lena Lehmann, as well as mother Genevieve, cover and protect Monique Humphrey, even against Doris Stoehr inciting them and Willi Stoehr to torment the key witness to death.
11. **to refrain immediately**, supporting Marion Garcia with the criminal corruption and families clan Monique Humphrey/McKenzie family, to cover up the serious, cruel crime against daughter Doris Stoehr in 1992, Doris Stoehr's father, Willi Stoehr, continues to be isolated from the outside world and held captive in the house so that nobody notices how his health is doing, so that Marion Garcia family clan Monique Humphrey can kill him and will to get the inheritance with deed fraud, and to destroy Willi Stoehr as the only key witness to the assassination attempt on his daughter Doris Stoehr, who is paraplegic, then to receive the second inheritance with document fraud by killing Doris Stoehr's mother as well, and before that the son David Linnebach was killed in a car accident in August 2020 and only got in the way so that now the parents can be killed and it appears that they died of natural causes, However, after fleeing to America, the Monique Humphrey/McKenzie family chose a rich disabled person who also died a short time later, so that the Monique Humphrey/McKenzie family would not have to pay back the money. All in all, corruption and families of the Clan Monique Humphrey/McKenzie family have been collecting a lot of money from inheritances for 30 years, and all key witnesses have to be killed beforehand, as in the case of Doris Stoehr, document fraud was also implemented by corruption and families of the Clan Monique Humphrey/McKenzie family with Marion Garcia and all notaries and courts were bribed to do so.
12. **immediately to refrain**, trademark infringement and theft of the EU-trademarks, including Zukunftsbasis®, Futurebase®, Studentenbaum®, Zukunftspädagogik®, Basisstufe®, Muttergottes Beplanting®, stufenleiter® by the owners Fa. Mayabaum Verlag -Zukunftsbasis® ltd. and the two brand owners Mrs. Doris Stoehr and to operate Mr. Manuel Tuebner and to intentionally gain financial advantages with company and brand theft and theft of company secrets without permission for better advancement, as well as the complete brand contracts, company contracts, preamble, general terms and conditions of the company Mayabaum Verlag-Zukunftsbasis® ltd. as a gift from of corruption Landratsamt Oberallgäu/Alfred Seehofer family of the Markus Söder clan/Federal Government Angela Merkel/USA Joe Biden without the consent of the inventors, authors and trademark owners, without permission to build on the complete ideas of Doris Stoehr and Manuel Tuebner, and to steal mind mapping.
13. **to refrain immediately**, trademark law, protected and secret company know-how with notarized copyright works and trademark studies by the two CEOs and trademark owners Doris Stoehr and Manuel Tuebner on the criminal corruption and family clans Monique Humphrey/McKenzie family/corruption district office Oberallgäu/Alfred Seehofer family and Clan Prime Minister Markus Söder/Angela Merkel and USA/Joe Biden, to gain insight and to use, hand over and/or copy to third parties, service providers, consultants, entrepreneurs and third parties of all kinds without permission, and/or internally use/modify, propagate and/or publish and/or pass on and/or offer to third parties and offer for sale commercially and/or pass on to a third party and/or in any similar and/or synonymous form and/or to implement entrepreneurially.
14. **to refrain immediately**, supporting Marion Garcia with the criminal corruption and families of the Monique Humphrey/McKenzie family, the son of Pascal Humphrey/Kessler who was forced into bankruptcy and is now receiving bribes from Monique Humphrey, as well as Nicole McKenzie who have had to cover up all their crimes for the past 30 years.

all offenses are referred to the military court

punitive cease-and-desist and obligation declaration_Cornet Technology

- 15. **if the cease-and-desist declaration has not been signed by December 8th, 2022** and the original has not been sent to the English company address of company Mayabaum Verlag-Zukunftsbasis® ltd. by legally valid post, the contractual claims for damages that have already accrued must be paid in full, as well as an additional £2,5 trillion in damages to be paid to the injunctive relief, because it can be assumed, that the debtor continues to act criminally against the company Mayabaum Verlag-Zukunftsbasis® ltd. with, among other things, also causing considerable financial damage to the company based on trademark infringement through economic crime and gangs and white-collar crime the last 7 years, since 2016.
- 16. **in the event** of an unsigned cease-and-desist declaration under trademark law, the cease-and-desist declaration with all contractual partners and vicarious agents of company Mayabaum Verlag-Zukunftsbasis® ltd. is entitled to publish everything about the corruption company Cornet Technology and criminal corruption and families of the Monique Humphrey/McKenzie, gangs and white-collar crime against all those involved and accomplices without restriction. This does not represent any damage to the reputation of the injunction debtor, but the injunctive relief creditors are obliged under the contractual trademark rights to defend themselves against further claims for damages.
- 17. **in the event** of a future culpable breach of the promise to cease and desist, to pay one of the claims for damages to the cease-and-desist creditor, the amount of which is determined by the cease-and-desist creditors according to contractually fixed claims for damages and in the event of a dispute can be fully reviewed by the competent court.
- 18. **In the event** of an unsigned cease-and-desist declaration under trademark law, the omission creditors is entitled with all contractual partners and vicarious agents of Mayabaum Verlag-Zukunftsbasis® ltd. if the services provided/claims for damages are not paid by the debtor and/or third parties. All shares, ETFs, funds, companies go, foundations, real estate, company shares, bonds, cash, bank accounts, derivatives of any kind, all natural and tangible assets and physical assets and precious metals such as gold bars, gold coins, silver bars, silver coins, platinum coins, platinum coins, palladium bars, palladium coins and/or real estate, all digital cryptocurrencies automatically become the property of the omission creditor. This also applies to third parties who have committed breaches of contract and have to pay with services and relief compensation, claims of damages and reputation damages.
- 19. **The omission debtor is informed** that the trademark law in behalf punishable omission and obligation declaration, the right to information according to the international trademark legal and the contractual claims for damages are the originator and property of the legal department of Mayabaum Verlag - Zukunftsbasis® ltd., anyone who reproduces, distributes or publishes an adaptation or redesign of the work without the consent of the author will be punished with imprisonment and claims for damages, including the contractual rights according to UCC, massively violate the higher law and legislation that you are inevitably subject, including the Charter of Fundamental Rights of the European Union, Convention for the Protection of Human Rights and Fundamental Freedoms ECHR, Intern. Covenant on Civil and Political Rights of 19.12.1966 - (BGBl. 1973 II 1553) - ICCPR, UN Resolution 217 A (III) - Universal Declaration of Human Rights, willful violation of international law and the Convention on Human Rights - Article 25 GG , HLKO, S.H.A.E.F laws, Occupation law under Military law 67 and International Criminal Court in The Hague and military court united states for Genocide crimes against humanity, crimes of aggression and war crimes. The attempt is punishable.
- 20. **analog** claim damages action according to Art. 244 ff ZPO, otherwise Art. 74 CISG - Art. 77 CISG in particular Art. 5 CISG and Art. 79 CISG, Art.41 OR Paragraphs 1 and 2 with all other following contractual and trademark claims for damages. The attempt is punishable.
