

Subject: To the attention: President Donald Trump

**Part II)**

**Dear Office of the AF Inspector General,  
Dear Major General Randall Reed,**

for Julia Fried's blog post on Zukunftsradio.com, I am sending you the corresponding criminal complaint with further evidence from 2017. Due to the scope and limitation of the file size sent, there will be several emails with attachments to evidence. The evidence and letters have been marked by me, marked for a faster and better understanding of the evidence. Important relevant text excerpts were also partially translated.

Criminal chief inspector Stoeckle is investigating us although he is no longer responsible and he passes the data on to Sabrina and Tanja Seehofer so that they can continue to spread and misuse our studies and company data. You scatter the company data in other countries so that it is legally difficult for us to take action against it.

Sabrina and Tanja Seehofer have even registered for our music studies and follow us step by step. The schizophrenia and psychopath Tanja Seehofer even steals texts or her own inventions. Instead of me like DJ Maya, Tanja Seehofer now calls herself DJ Jaya. The psychopath steals the whole résumé and abuses us with our own studies. I have never seen that for 6 years you have been robbed of all company knowledge and even copied your own personality 1 to 1. It just never ends and nobody stops because everyone is being bribed.

Note: We spotted a video from Biden on YouTube. There Biden babbles, as so often. He says Donald Hump ... and recognizes his failure in time. But for us it wasn't a dropout, he wanted to say Donald Humphrey, with whom he probably maintains contact. Last week, Donald Humphrey was reported with his entire family that he was involved in the 2020 election fraud.

Sincerely,
